

### **Biography – Larry Foster, Member at Large**

Larry Foster, a past-president of the NBCA and current Board member, is an American historian at Georgia Tech whose major scholarly focus is on the impact of religious and social reform movements on American society. He and his family have lived in the NBCA neighborhood since 1986. Larry is also the Communications Director for PDK Watch Inc., [www.pdkwatch.org](http://www.pdkwatch.org), a community watchdog group that seeks to protect established residential neighborhoods near PDK (including the NBCA area, which is approximately two miles from PDK as the jet files) from damaging airport noise, pollution, and expansion.
